Bulldogs Lead Conference In Passing

Grant's 1976 Varsity Football team had a good season with a record of 5-4, which placed them third in conference. Grant had many bright spots this year including its Homecoming victory over Jacobs. We also led the conference in passing this year, a feat the coaches were really proud of. There were many stars of the team who cannot be overlooked, including Mark Meisgeier, Bob Soderman, Kerry Kelly, Red McDonald and Sherwin Savage, who all made the all-conference team.

The sophomores came back from a disappointing freshman season to take second place with a 6-2-1 record. Midway through the season, the Bulldogs faced injuries to some key players and lost 2 games, but team spirit brought them another win. This determination shows great potential for these players at the varsity level.

The Freshman team ended the season with a 2-7 record. They had many problems due to injuries. According to Coach Johnson, however, this team had the most competitive attitude of all the freshmen teams he's ever coached.

Tennis Coach Injured

Coach Garlanger broke his wrist on the first day of girls' tennis practice. That's one way to start the year off! In its second season, the team showed quite an improvement. The varsity record was 3-10-1; the frosh-soph record was 3-8. Outstanding players were Lydia Prez, Diane Vanderkooy, Maija Martin, and Alyssa Mitchell. Every time a girl missed a ball, Mr. Garlanger would say, "You want a waffle butt?" One exciting thing the girls did was to go see the Grand Masters Tennis Tournament.

Last Year For Field Hockey

This year's field hockey team, which was tied for first place in conference games, was the last one Grant will have. One of the team's toughest games was against Antioch. An outstanding player was Kandy Anderson. A funny experience the team had was playing a game in a blizzard. The season record was 4 wins and 2 losses. Those girls who were involved in field hockey, as well as others at Grant, will certainly miss this sport.

Wanted! Boys Who Can Run!

Grant's cross country team didn't have a very successful season this year.

The biggest reason was the lack of members. The overall record for the Varsity team was 3-9, which placed them fifth in conference. Because of the small number of runners, some members of the sophomore team competed with the varsity team. The overall sophomore record was 4-8.

Despite problems, this year's track team made a good effort. Hopefully, next year more Grant students will join this effort.

Golfers Show Promise

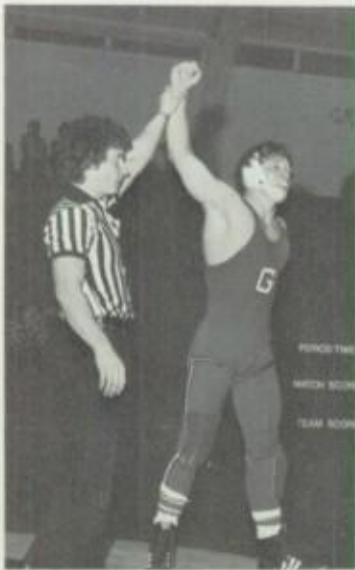

This year was a good year for our golf team. The varsity team finished third with an overall record of 8-7 and a conference record of 6-5. Jerry Parsetich, an outstanding member of the varsity team, finished fourth in conference.

The sophomore team, with a season record of 8-7, also finished third. One can certainly expect a good season next year for Grant's golf team since 24 out of 25 players will be returning.

10th In State

This year the Varsity Wrestling team finished the season with an undefeated record of 20-0. They placed 1st in the Lake County Tour., N.W.S.C. Tour., and for the first time ever, the District Tour. They also did a very good job at the Rich South Tour. by placing 5th against the other 31 schools, many of which were much larger than Grant. A 5th place was also attained at the Sectional Tour. Bob McGuinn and Mark Meisgeier earned a 3rd place at the State Tour. Grant finished 10th in the State Tour.

1st With 19-1

The Sophomore wrestling team, or J. V. II, had a great deal to be proud of this year.

They ended the season with an impressive 19 wins and only one loss. Coach Heimerdinger did a great job at coaching the team.

The team shows great promise of keeping Grant's varsity wrestling team in first place.

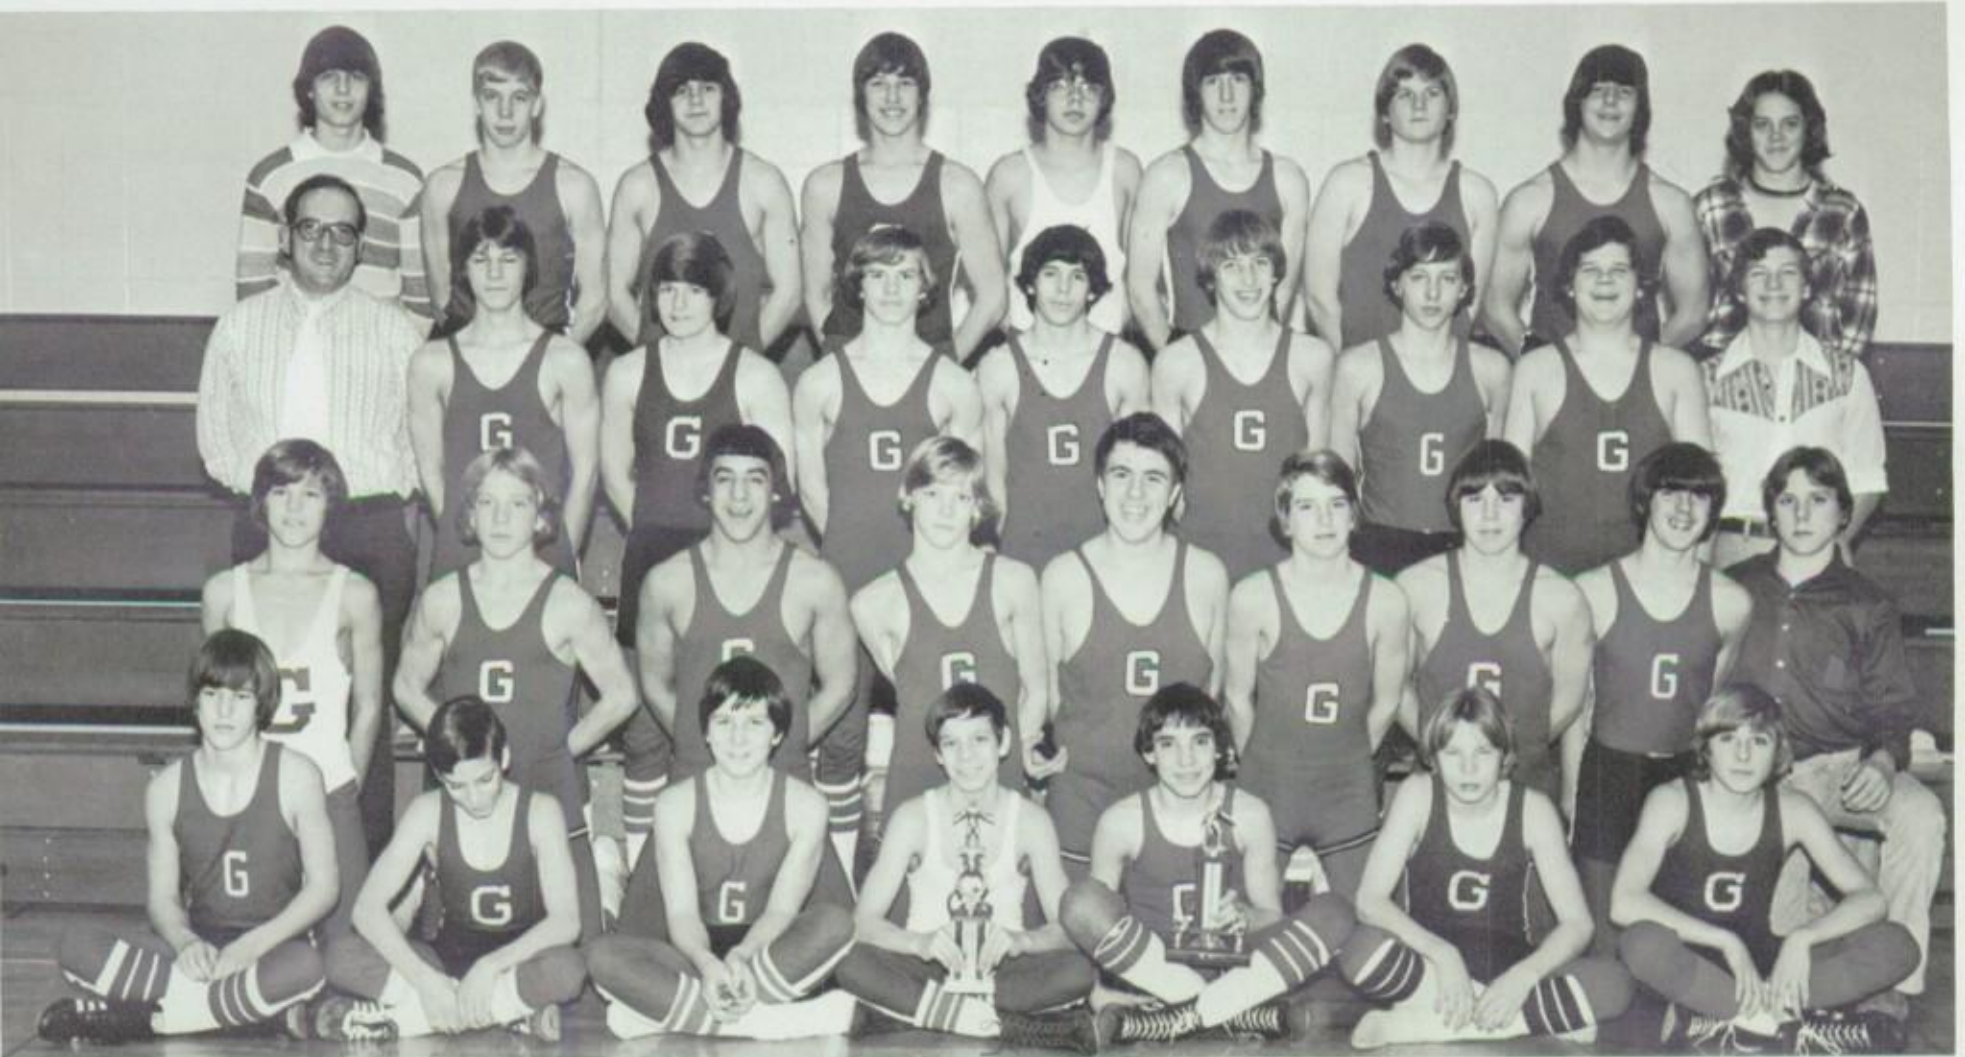

Undefeated Season Record

The Freshmen wrestlers and Coach Libert did a fantastic job this year.

This season, with a 17-0 record, the Freshmen were undefeated. Much hard work, team spirit, and great ability were needed to produce such a winning team. They placed first in both the Deerfield Freshmen Invitational and the Grayslake Freshmen Tournament. The total number of team points earned was 877 to their opponents' mere 215. The Freshmen team averaged 52 points per meet while their opponent averaged only 16.

Bowlers Place 14th In State

This years girls' bowling team was as outstanding as ever. The team had an excellent conference record of 9-0-1 to finish in first place. From there they went on to become number one in the district tournament. After districts, six of the girls went on the the state tournament to give Grant fourteenth place in the state.

First Solo Title In 20 Years!

The 1976-77 Varsity Basketball team won its first solo conference title in 20 years. The Bulldogs had an outstanding record of 14-2.

"The toughest team we played was Deerfield," said Coach Maple. In the Grayslake Christmas Tournament the Bulldogs placed second. This year's team was mainly a senior ball club, with Kerry Kelly leading the team and the conference with a total of 460 points. Keith Taylor led in rebounds and Mike Solheim in assists.

Grant went into Regional competition and beat Belvidere 60-55. In the second game at McHenry, Grant was defeated by the Blue Streaks from Woodstock 68-50. The last conference title Grant held was in 1971 and shared with Antioch.

This year's sophomore team placed second in conference with a record of 13-3. Coach Kazlauskys pointed out that this year's team had problems in the beginning but worked things out towards the end.

The freshmen had a super year with the help of two outstanding players, Kevin Dagnan and Terry Tylkowski. The conference record was 15-1 and 19-4 overall. "We set a goal at the beginning of the season to win conference and we did," commented Coach Einhorn.

Grant Track Gets Off To A Slow Start

The track team this year was not the best but they did have a good season. Records were broken by newcomers Warren Nichols and Mark Bein. The team's record was 4-7 in conference and 5-8 overall. We hope that next year there will be more people out at the track cheering our team on.

Grant's Varsity baseball team took the Conference title this year. "In the beginning," said Coach Kazlauskis, "we did great. Towards the middle we messed up, but in the end we won the conference." The Varsity record was 10-6.

The Sophomore team had a record of 6-10 in conference and 7-12 overall. Leading hitter for the team was Trevor Karns with a .385 batting average.

10 SNE 1?

This was the second year for boys' tennis at Grant. The Varsity team was young with three sophomores and three juniors, along with four seniors. This means that next year's team will be stronger. All in all, it was a very exciting season. The J. V. team had an 8-3 conference record, which was not disappointing to them.

Girls' basketball worked hard and hustled all year. Varsity ended the season with a 3-8 record and J. V. with a 5-6 record. There were many close and exciting games that Grant almost won. Almost all of the same girls will be returning next year, so they are expecting an exceptionally good season.

Tumbling Around

This was the first year Grant had a Gymnastics team. The team, coached by Miss Johnson, had two meets this year. One was against Grayslake, which Grant won. The other, in which Grant took second place, was against Antioch and Warren. Gymnastics participated in the unevens, balance beam, vaulting, and free exercise. Nanci Lastofka took first place in vaulting and first place on the balance beam. Diane Pawela took second place vaulting and fourth place in the free exercise.

Running To Victory

Girls' Track was very exciting this year. The girls posted a 7-4 Conference record and a 7-5 overall record. This was the first year for a Conference Track meet and Grant took second place in the North Division. Conference champions for Grant were: Sue Barrett in the mile run, Brenda Acuff in the 100 yard dash, and Kim Urban in the 220 yard dash, 440 yard dash, and the high jump.

With such a great year of sports, our cheerleaders had many chances to show their spirit and pep. They will long remember: "Boney Maroney" . . . "now, now" . . . "shaboom" . . . "good luck!" . . . "where's the hairspray?" . . . "they're not going to forget to bring us!" . . . "buppy chow" . . . "a fist through a window" . . . "we've been working in the weight room."

On Prom . . .

This year's Junior-Senior Prom was held at Interlaken Lodge in Lake Geneva, Wis. It was the biggest Prom ever, with a total of 264 students attending.

Upon arrival at the Lodge, the couples left their luggage in the assigned rooms and walked up to the lodge.

It started off with the band "Just Us" performing for the formal dance. At about 10:00 p.m., the court was introduced to everyone. Sandi Barton then announced and crowned the 1977 Prom Queen, Charmaine Lomas.

The entertainment came next. Bob Trent, a comedian, was enjoyed by students as well as teachers. Following the entertainment, dinner was served.

After a quick change, everyone danced to the rock music of "Ventura."

Lights were turned off and cartoons and the movie, "M. A. S. H." were shown.

After breakfast, a free time was given to everyone to swim, play tennis and softball, play games in the game room, or just sit on the lawn and enjoy the sunshine.

The buses were boarded and everyone headed back to Grant, a little more tired than they left.

Many students went on picnics after returning home but, unfortunately, the weather stayed nice for only a short time.

The Prom planning committee, Junior class officers, Mr. Smith, and Mr. Hofeldt gave the Juniors and Seniors a beautiful Prom in which everyone enjoyed and will remember.

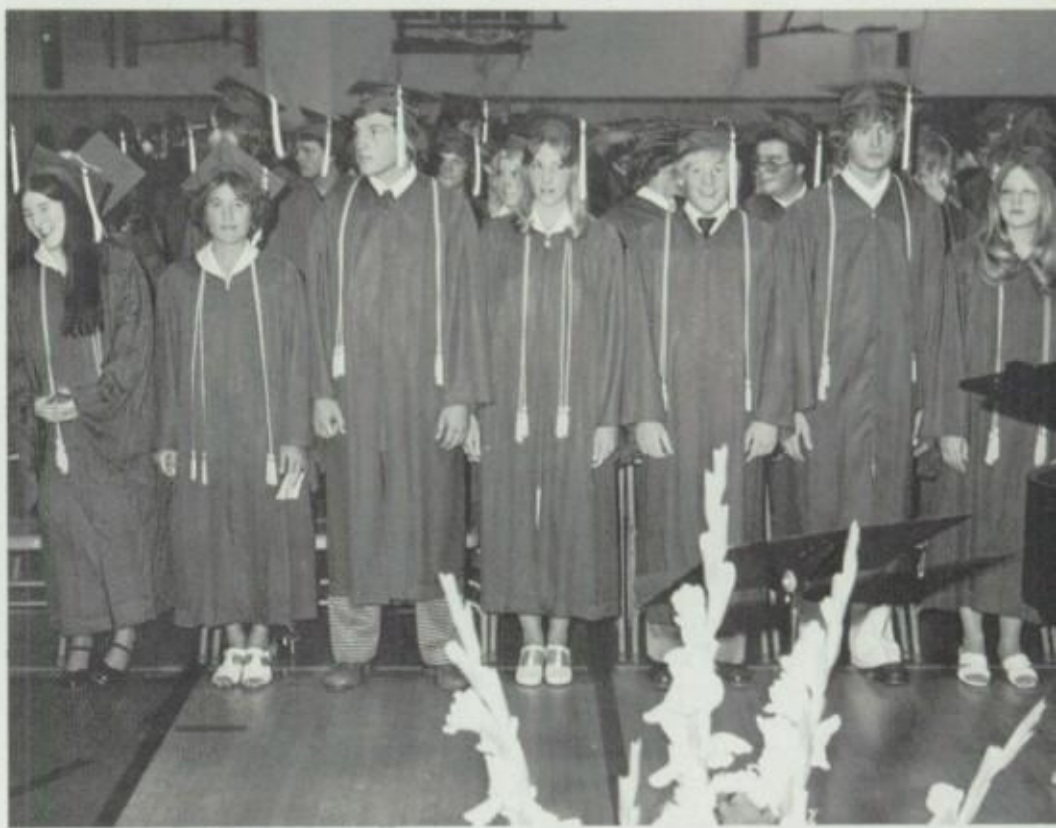

On Graduation

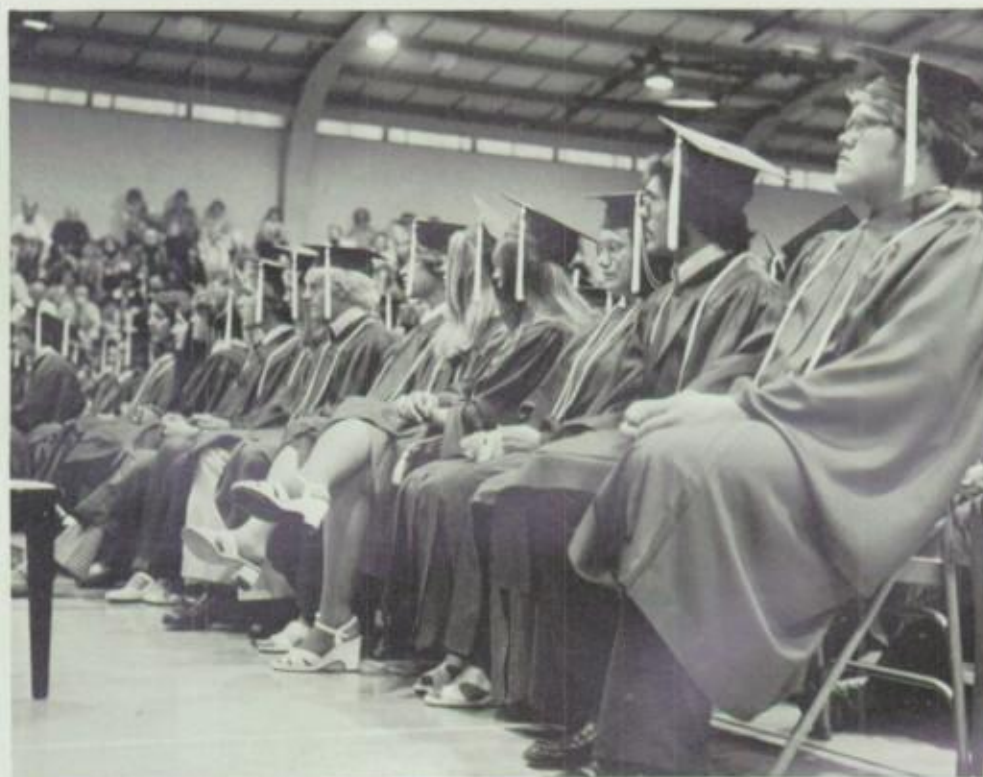

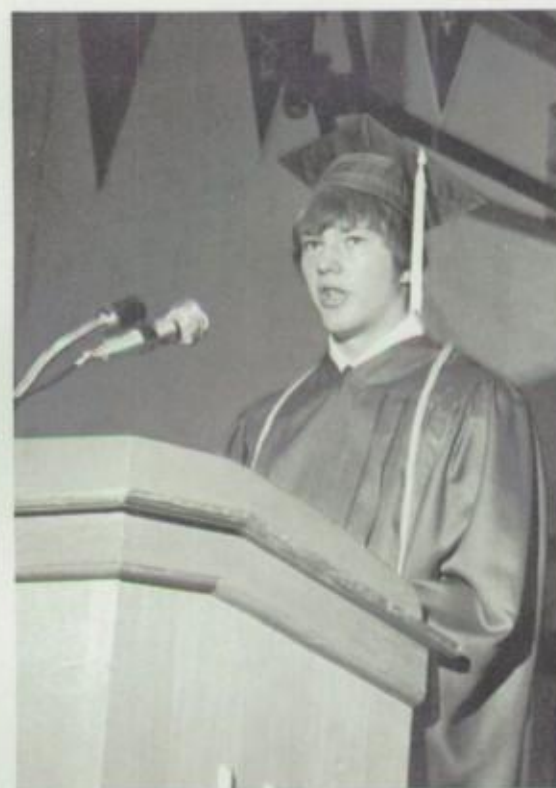

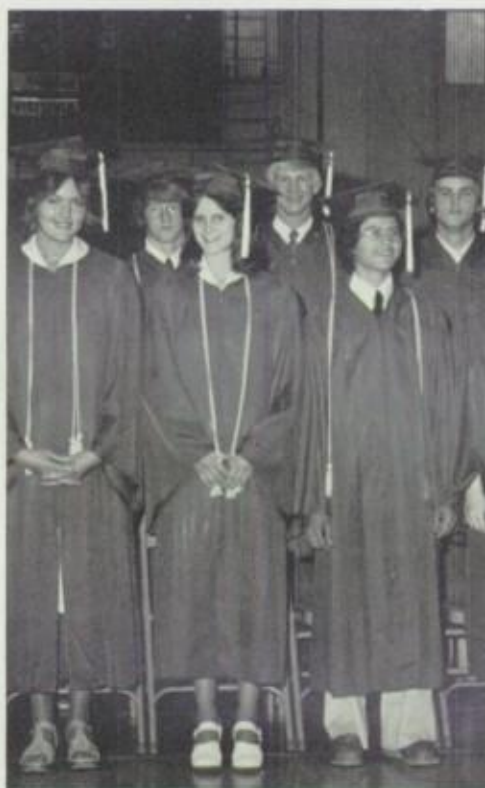

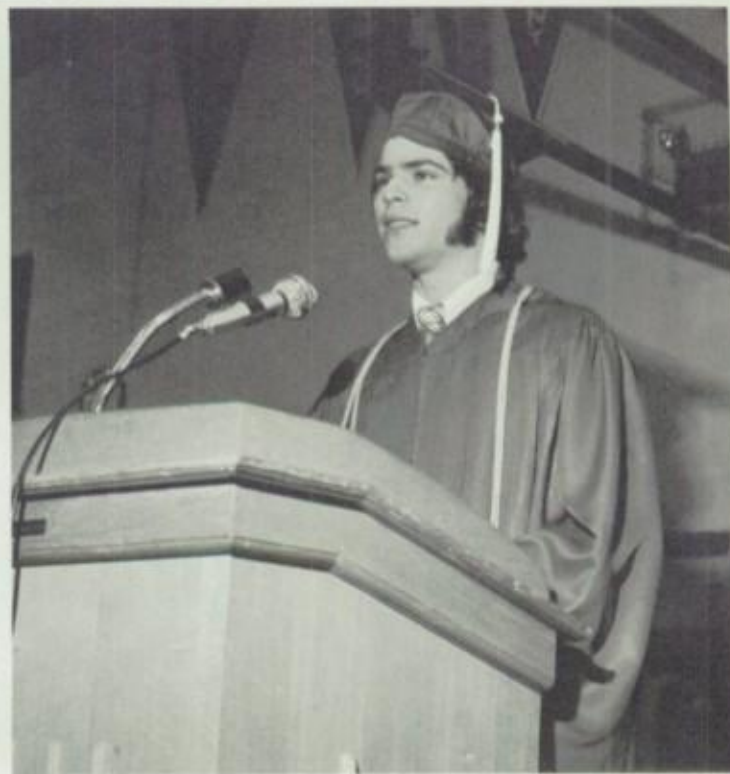

The class of '77 left Grant in a style many will not forget.

The ceremony started with the traditional procession to 'Pomp and Circumstance' on Friday, June 3, at 8:00.

After the Valedictory and Salutatory address were given, the Senior class gift of girls' uniforms was presented.

Mr. Soderman, President of the Board of Education, then made the presentation of diplomas. After they were awarded and tassels were turned, the Seniors ended the ceremony (and possibly started a tradition) by throwing their hats in the air.

CLUBS

COMMERCIAL CLUB

attended two ice shows this year. One of them was the Ice Follies. The other was the Ice Capades. The people who went said they were fantastic. They also attended a football game at Northwestern.

COIN CLUB has collected many kinds of coins this year. Some of the coins are from France, Germany, and Spain. They also have collected some Old American coins. Some of them have over one thousand coins.

MATH CLUB prepared for the Scholastic Aptitude Test (S.A.T.) in the fall. They worked for about two weeks every day after school. In late February and early March, they prepared for the National Mathematics Contest.

THESPIANS added many new members this year. This helped the club in many ways, especially by adding more money and new talent. Mrs. Kemmer was again in charge of the club, with the help of four eager officers.

INTERNATIONAL CLUB spent most of its time this year raising money. The main fund raisers were selling candy bars and holding concessions at the bonfire and musical.

The money earned is being used to help LeAnne Runstrom go to Japan this summer through Youth for Understanding, a foreign exchange organization. LeAnne was selected as a foreign exchange student by a special committee that interviewed her and the other club members that applied for the club's help.

Many International Club members also enjoyed spending time with the four Youth for Understanding exchange students that were at Grant this year. They were Michele Spitz, Ana Amaral, Susanna Pohl, and Tiberio Siquiera.

POMPON GIRLS were chosen in May of 1976. Since then they have raised money by holding car washes and bake sales, and by selling candy. They have practiced and learned many new routines and they have also taken a fantastic trip to St. Louis.

The Pompon squad participated in the Homecoming activities. The girls marched in the parade and performed in the game that evening. The squad worked diligently all year to be one of the best Pompon squads Grant has ever had.

The Pompon squad was invited to go along with the band to perform in St. Louis on April 29 to May 1. This was one of the highlights of the year.

PEP CLUB is a small organization of students that believe that the spirit of involvement is not dead. Pep Club has built floats for the Homecoming Parade and has won the competition six times.

Other activities include selling pep buttons and displaying posters for athletic competition during the year. Although small, the club has a big impact on the spirit of Grant.

COLOR GUARD performs with the band at all football games and parades during the course of the year. Their marching position in front of the band provides a colorful picture of the marching formation. The Color Guard members are selected at the beginning of the school year and rehearse with the band at its regular practices.

BARK members met during sixth hour this year. During first semester they met only once a week. During second semester the Bark staff earned credit for publishing the paper. This was the first year the staff put out a paper every month for nine months. Some of the famous sayings during the meetings were: "Dan, buzz off!" and "Shut up, Bartoszek!"

Each month's Bark began when stories were assigned and written. The copy was then sent to the press for proofs. The proofs were checked and returned to the press for a layout. Finally, after a great deal of work by many people, the student body received the newspaper.

G-CLUB was always selling pop, candy, popcorn, etc., at the home football and basketball games. They sponsored the Donkey Basketball Game, which was very amusing to all. Many remember the way the students and faculty tugged at their stubborn donkeys who refused to move. In the end the students were victorious.

G.A.A. was kept busy this year with speed-a-way, gymnastics, volleyball, tennis, swimming, and many other sports.

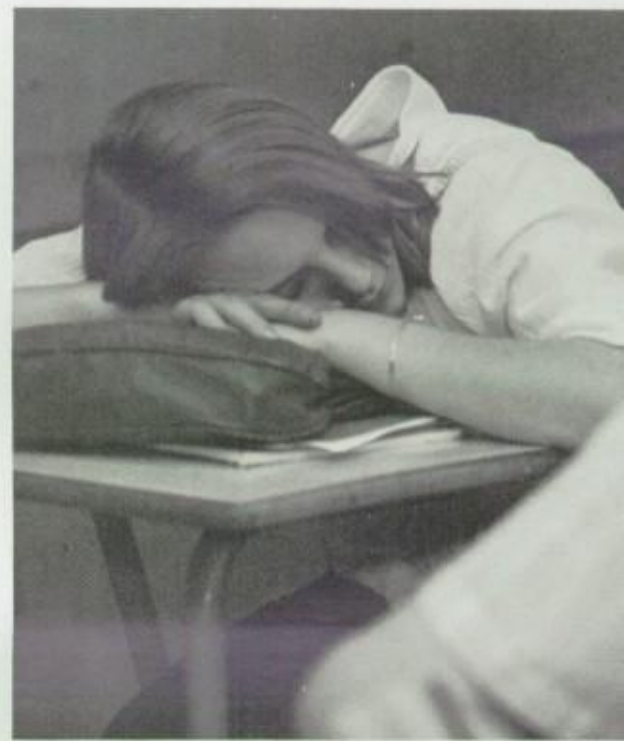

If you saw some odd-looking girls carrying eggs on May 9, it was the freshmen and other new G.A.A. members. They were involved in initiation. The older members of G.A.A. always enjoy this day, when the girls seeking membership have to give them candy and recite the pledge for them.

The selling of M & M's raised money for the banquet at the end of the year, which was held at Swedish Manor in Waukegan.

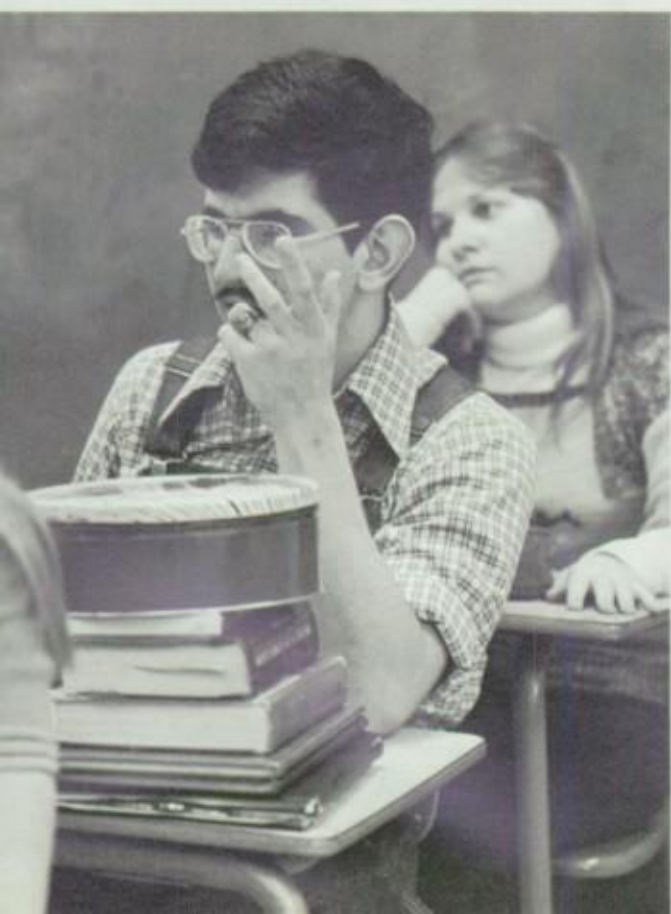

STUDENT COUNCIL, this year as always, was very active. It consisted of 32 members, five of whom were officers, elected the previous year.

Student Council organized and paid for all the Homecoming festivities. It also sponsored the Valentine and St. Patrick's Day flowers, the roller skating parties and many rock dances. For the second year, the members collected money for the muscular dystrophy drive.

Working In Harmony

This year, as usual, the A Cappella Choir presented many fine concerts. These included the Pop concert in the fall, the Christmas concert, and the Spring concert. They also performed at graduation. Many of the A Cappella members were also busy with the spring musical. Mrs. VanSlochteren did an excellent job as director.

Swing Choir did special performances this year at a Christmas party and at a church in McHenry.

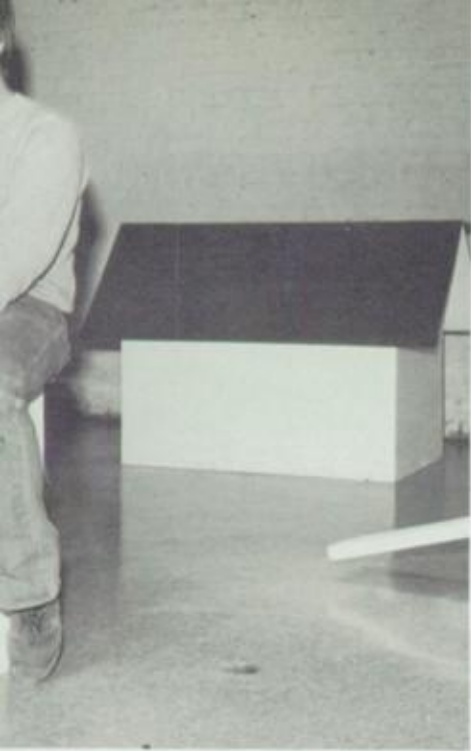

Girls' Chorus met during fifth hour and did exceptionally well this year.

A Book Report On Charlie Brown

"Charlie Brown" was an amusing performance put on by two amusing casts who experienced many amusing rehearsals. During these rehearsals the auditorium often echoed the words "Louder Joe" and "You're not going to wear your glasses, are you Larry?" The casts were often amused by the little visitors who came weekly. They kept everyone smiling and happy. At the performances, the audiences were amused when Chris and Darlene were kicking and punching Larry, which wasn't exactly in the stage directions, and when Mary drew the design of her dress on a paper bag.

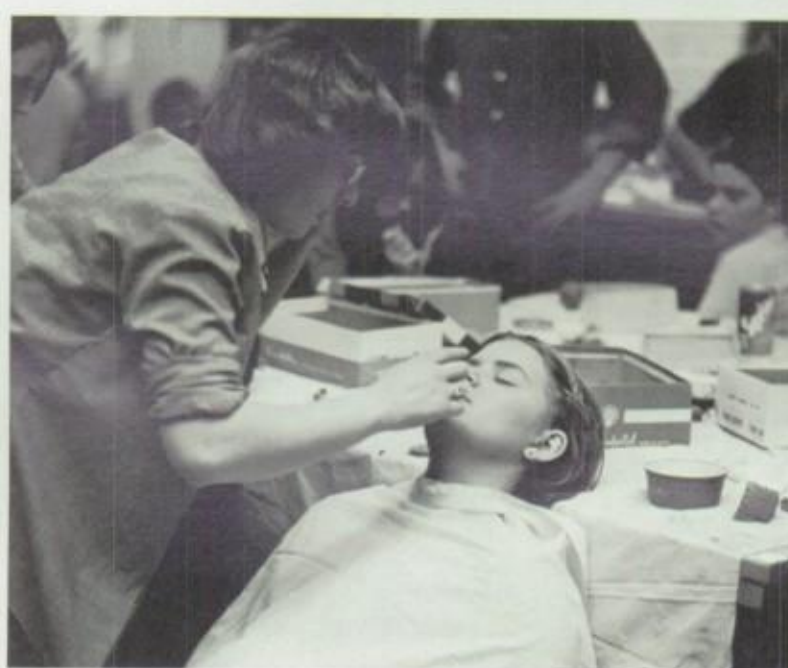

The Magical Musical

Musical! What a magical word! It evokes memories of heartbreaking tryouts, of exhausting practices, and of thrilling performances. This year's musical was "Irene", a modern fairy tale about a young Irish girl striving to find success in New York's business world during the 1920's.

Irene was played by Chris Uphoff, and Deb Bowen captured the character of her mother, Geraldine O'Dare. Irene meets Donald S. Marshall, played by Jeff Semmerling.

Irene is thrown into the whirling fashion world. She soon realizes that she cannot live a lie for anyone. As the play winds to a close, Irene and Donald fall in love, and Geraldine realizes that Madame Lucy is her long-lost lover, Liam O'Dougherty, who was played by Tim Semmerling.

Now the auditorium holds only memories of Irene. One can walk in the room and hear nothing, but to those involved they hear a mysterious ringing of laughter and songs. They feel a presence of the exciting Irene O'Dare and the love of Liam and Geraldine. Memories will haunt these people till their lives end.

Slowly But Surely

Yearbook this year went by slow. We missed deadlines, and worked hard to catch up. New people learn fast that you can't erase on a 3R form. Mrs. Collins really helped us pull the book together, despite the plain cheeseburgers. Selling candy, working the concessions, and on Sundays and Easter will always be remembered. People will come into the yearbook room a year from now and still find the remains of their copy or page lying around.

Well, here we are. Our senior year. Finally! What an accomplishment! From punky freshmen to big seniors.

Do any of you remember what it was like at first? The place seemed so big with all of the halls, stairs and especially all of those unfamiliar faces. And what about all those classrooms that seemed so hard to find in five minutes when you couldn't even open your locker in that time? And the hardest of all was to find that huge swimming pool, and all those elevators that we bought passes for.

But as time passed, it didn't all seem so strange and one could even tell the seniors were just like everyone else. But there were still all of those unfamiliar faces. Some friendly ones that you hoped to get to know better and others which would take a little getting used to.

Looking back it's amazing to think of all the things we've done with all our classmates in just four years.

Things such as our great freshman first place football team. The wonderful, fabulous, disappearing, Morey Amsterdam. Bleacher Bums again! Our first place freshman float, our third place senior float. Oh, last but not least "Oh thank heaven for 77". These are just a few things our class will be remembered by.

It seems like everything is coming to an end and all the memories will be left behind. But really everyone is just beginning to go their separate ways to jobs, college, or whatever.

It's our time to go out in that world which seems so big and will take a little getting used to. But let's hope everyone achieves his goals and stays in good health so we can all come back for our tenth reunion.

Another year of high school life has come to an end.

As you go through the pages of this yearbook, you will find pictures which represent you as a part of this school. Whether in class, a sport, or a play, you will realize just what a big part of Grant Community High School each of you represent.

I hope you will enjoy this yearbook and keep the memories it represents close to your heart.

This year's staff worked to give you a good yearbook. A few worked exceptionally hard and were there when we really needed them. They spent many hours of working on the yearbook. Some was hard work, and some not as hard as it should have been. As I look back, I feel they all did a great job and gave us all a yearbook to remember.

Through thick and thin, one person who was always there was our sponsor, Mrs. Collins. I would like to personally thank her and also: Tim Semmerling, Lori Hoflander, Lisa Harris, Shirlee Lomas, and Rita Bauspies for working together so diligently and taking a tremendous part in putting out the 1977 Trumpter.

Many students will look toward another year at Grant. Others will continue their education elsewhere or go directly to work.

I, on behalf of the yearbook staff, wish you success, health, and happiness.
